## About the Community

Offering a unique mix of urban amenities and natural surroundings, Greater Sudbury is a thriving landscape. Our re-greening efforts have been recognized as a global standard for industrial rehabilitation. The vitality of this region honours our robust mining heritage. Greater Sudbury is nestled in the heart of Northeastern Ontario, CANADA

## Continuing Education...

As the regional centre for learning and applied research in Northeastern Ontario, Greater Sudbury is host to two colleges, a university, and Canada's first new medical school in three decades. The region offers high quality education in both official languages and in French Immersion, from Kindergarten to Grade 12. In Sudbury, education is synonymous with excellence and diversity. Collège Boréal is one of two Francophone colleges in Ontario. Laurentian University and Cambrian College have earned global recognition for their specialized research and applied programs.

## Health Services

Over 3,000 general practitioners and specialists contribute to the overall health and wellness of our community. The Hôpital Régional de Sudbury Regional Hospital (HRSRH) is a 500-bed regional resource and referral centre that offers a variety of healthcare programs and services.
