# Sponsorship Opportunities

## BEV In Depth: Mines to Mobility Conference 2024

The 3rd BEV In-Depth: Mines to Mobility conference includes an opening dinner on May 29th and full day conference on May 30th, 2024 at Cambrian College of Applied Arts and Technology in Sudbury, Ontario.

This is an exceptional opportunity for businesses to showcase their brand to an audience of conference participants from Ontario and beyond.

Through innovative and eye-catching displays your business will get noticed. Your brand will be displayed across Cambrian College campus in the main plenary and breakout rooms.

As a sponsor, you will have the opportunity to share your company's story and showcase your support for the critical minerals and battery electrical vehicle industry in Canada.

A limited number of sponsorship opportunities are available.

# Sponsorship Levels

Reception Sponsor \$3,000 (1 available)
