

Sudbury Local Immigration Partnership

Strategic framework 2021 - 2025

"Immigration is one of the different avenues to secure and strengthen our social and economic prosperity. The Local Immigration Partnership works to ensure all newcomers have the opportunity to become prosperous as they grow roots in the city they now call home".

ACKNOWLEDGEMENTS

The Sudbury Local Immigration Partnership Council (SLIP) would like to thank the many organizations and newcomers who took the time to provide feedback and support during the development of the SLIP's Strategic Plan for 2021-2025. Their continuous support to the proper settlement of newcomers is a demonstration of our community's commitment to a welcoming and prosperous Greater Sudbury for all.

We would also like to thank Lynne Dupuis from LMDSolutions, the City of Greater Sudbury and the Economic Development Department and most importantly our funder, Immigration Refugee and Citizenship Canada. Without your support, our work would not be possible.

Area of focus 3

Programming and Projects

Desired outcome

Facilitate the integration and settlement of newcomers by identifying service gaps in the local immigration continuum.

Desired outcome

Implement the strategies and tools required to support the network of local stakeholders.

GOVERNANCE & OPERATIONS

The SLIP will focus on further formalizing governance and operations, policies and procedures, succession planning, training, and day-to-day activities in order to coordinate these efforts with the areas of focus in the strategic plan.

The goal: Implement the new vision, prioritize projects, define the scope, ensure the resources and develop means for evaluation and accountability, all while ensuring a strategic communications plan that will ensure understanding and comprehension within the community.

Desired outcomes

1. Ensure efficient and accountable governance and operational model.
2. Achieve better public understanding of the SLIP's goals and the work they do.
3. Strive for a good working relationship with the SLIP Host and funders.

ENGAGEMENT & AWARENESS

As the primary consultative body, the SLIP will focus on fostering an inclusive environment where stakeholders are able to build capacity to ensure local strategies to improve the settlement and integration of immigrants and their families.

The goal: Formalize the advocacy role of the SLIP, prioritize engagement and local awareness and work towards creating a structure that will support stakeholders within the community to successfully integrate immigrants.

Desired outcomes

1. Coordinate immigration services through collaboration among service providers.
2. Implement and foster different community driven strategies to make the City of Greater Sudbury a welcoming community for all, first choice of destination for newcomers.
3. Support systematic change in policies and procedures to eliminate barriers faced by the newcomer/immigrant population in the community.

PROGRAMMING & PROJECTS

The SLIP will focus on the development and growth of immigration and settlement capacity within the City of Greater Sudbury to ensure a more welcoming and open community for all.

The goal: Foster the network of local stakeholders that supports the City of Greater Sudbury immigration continuum.

Desired outcomes

1. Facilitate the integration and settlement of newcomers by identifying service gaps in the local immigration continuum.
2. Implement the strategies and tools required to support the network of local stakeholders.
