Funded in part by the
Government of
Canada's Skilled
Trades Awareness and
Readiness Program

Canada

WHAT'S IN THE PROGRAM?

This program is designed as pre-employment training and focuses on giving its participants the tools they need to succeed. We educate in employment readiness skills, and train everything from demolition, framing, insulation, drywall, flooring, tiling, budgeting, meal planning, and more. Most importantly, they get real on-the-job construction training in a supportive and supervised environment.

IS THIS RIGHT FOR YOU?

We purposely hire folks with barriers to employment to teach and equip them with the construction and life skills they need for a prosperous career in the trades
